"Let me once more set forth the Bhavan's faith for the benefit of new students and members, for it is necessary that they should understand it clearly and imbibe its spirit. The Bhavan stands for the reintegration of Indian Culture. In a world falling to pieces under the impact of an amoral technological avalanche, it tries to hold fast to the fundamental values for which our culture stands – *Rita, Satya, Yagna and Tapas*.

FAITH in God Who in-forms the Cosmic Order; TRUTH which is accord between mind, word and deed; DEDICATION which offers all movements of life as an offering to GOD; SUBLIMATION which purifies the body and mind and transmutes instincts, passions and emotions into things of beauty.

This, regardless of forms and doctrines, is dharma, the three-fold aspects of which are *SATYAM*, *SHIVAM*, *SUNDARAM* – Truth, Love and Beauty.

For these values our forefathers lived and died. So did Shri. Rama Krishna Paramahamsa, Swami Dayananda, Swami Vivekananda, Gandhiji and Sri Aurobindo, among the moderns. These values are embedded in our national outlook. We command the respect of the world because of them. We can look forward to the future with confidence only because they have vitality which gives the power to vindicate their validity even in this fear-and-avarice-ridden age of ours. We, the Bhavan's family, whether it is the smaller one or the larger one, must make every effort in restoring an awareness of these values in personal and collective life."

TRUE EDUCATION

"Education is the Manifestation of the Perfection already in Man.

We want that Education
By which character is formed,
Strength of mind is increased,
The intellect is expanded,
And by which one can stand
On one's own feet"......

With respectful homage to Swamy Vivekananda
