EQUALITY of status and of opportunity; and to promote among them all

FRATERNITY assuring the dignity of the individual and the unity and integrity of the Nation;

IN OUR CONSTITUENT ASSEMBLY this twenty-sixth day of November, 1949, do HEREBY ADOPT, ENACT AND GIVE TO OURSELVES THIS CONSTITUTION.

CHAPTER IV A

Fundamental Duties

ARTICLES 51A

Fundamental Duties- It shall be the duty of every citizen of India

- a. to abide by the Constitution and respect its ideals and institutions, the National Flag and the National Anthem;
- b. to cherish and follow the noble ideals which inspired our national struggle for freedom;
- c. to uphold and protect the sovereignty, unity and integrity of India;
- d. to defend the country and render national service when called upon to do so;
- e. to promote harmony and the spirit of common brotherhood amongst all the people of India transcending religious, linguistic and regional or sectional diversities; to renounce practices derogatory to the dignity of women;
- f. to value and preserve the rich heritage of our composite culture;
- g. to protect and improve the natural environment including forests, lakes, rivers, wild life and to have compassion for living creatures;
- h. to develop the scientific temper, humanism and the spirit of inquiry and reform;
- i. to safeguard public property and to abjure violence;
- j. to strive towards excellence in all spheres of individual and collective activity so that the nation constantly rises to higher levels of endeavour and achievement

Ideal

"वसुधैवकुटुंबकम्"

"The World is One family"

This profound concept emphasizes the idea that all of humanity is interconnected and should live in harmony, transcending boundaries of nationality, religion, or ethnicity. It promotes a sense of global unity, encouraging people to treat one another with kindness, respect, and empathy, recognizing that we share a common planet and a shared destiny. This principle serves as a reminder of our collective responsibility to foster peace, cooperation, and understanding in an increasingly interconnected world.

Motto

"आनोभद्राःक्रतवोयन्तुविश्वतः"

"Let noble thoughts come to us from every side"

This statement encourages us to be open to wisdom and virtuous ideas from all directions and sources. It reflects the importance of embracing diverse perspectives and learning from different viewpoints to enhance our understanding and promote personal growth. By being receptive to noble thoughts from every direction, we can foster a more enlightened and compassionate outlook on life.

Bhavan's Faith

Let me once more set forth the Bhavan's faith for the benefit of new students and members, for it is necessary that they should understand it clearly and imbibe its spirit. The Bhavan stands for the reintegration of Culture in a world falling to pieces under the impact of an amoral technological avalanche.

It tries to hold fast to the fundamental values for which our culture stands-

Rita	Yagna	Satya	Tapas
(Righteousness)	(Sacrifice)	(Truth)	(Spiritual Discipline)

- FAITH** - in God who in-forms the cosmic order
- TRUTH** - which is accord between mind, word and deed
- DEDICATION** - which offers all movements of life as an offering to God
- SUBLIMATION** - which purifies the body and mind and transmutes instincts

Objectives

The Objectives for which the Bhavan stands for are:

The reintegration of Indian culture in the light of modern knowledge to suit our present day needs and the resuscitation of its fundamental values in their pristine vigor.

Goals

The Goal of the Bhavan is:

To seek the dignity of man, which necessarily implies the creation of social conditions, that allow him freedom to evolve along the lines of his own temperament and capacities;

To seek harmony of individual efforts and social relations within the framework of the moral order.

To seek the creative art of life by the alchemy of which human limitations can be progressively transmuted, so that man may become the instrument of God and be able to see Him in all and all in Him.

We believe that this Goal can be achieved only by a self educative movement which develops a spirit of dedication to higher purpose in life. This Convention, therefore, calls upon those willing to participate in the movement.

PRAYER, SWADHAYAYA, SANSKRIT, MOTHERLAND, BHARATIYA VIDYA, DHARMA TRAYA, SAHAYOGA

Children grow not just in

Size, not even in knowledge,

but in Curiosity, courage,

Confidence, independence,

Resourcefulness, resilience,

Patience, competence and

Understanding."

TRUE EDUCATION

"Education is the
Manifestation of the
Perfection already in Man.

We want that Education
By which character is formed,
Strength of mind is increased,
The intellect is expanded,
And by which one can stand
On one's own feet"

With respectful homage to
Swamy Vivekananda
