Kindly ignore this message if payment has already been made.

– Principal

CIRCULAR-14 BVB/20/07/2026

Dear Parents,

Kindly note that if your ward is suffering from any communicable or contagious illness, you are requested not to send them to school until they have fully recovered. This precaution is essential to prevent the spread of infection among other students and staff.

When your ward resumes attending school, kindly submit a Medical Fitness Certificate from the treating doctor to the class teacher, certifying that the child is fit to attend school.

We appreciate your cooperation in helping us maintain a safe and healthy school environment.

– Principal

CIRCULAR-15 BVB/20/07/2026

Dear Parents,

It has been observed that some students, particularly boys, have been engaging in acts of physical aggression towards their peers. We request all parents to counsel their children on the importance of treating others with respect and understanding that the safety and well-being of every child is of utmost importance to the school.

Parents are requested to reinforce appropriate behaviour at home and encourage their children to resolve conflicts peacefully. Any student found involved in physical abuse, bullying, or any form of violent behaviour will be dealt with seriously. Repeated or serious incidents may result in disciplinary action, including suspension from school, and in extreme cases, dismissal from the school.

We seek your wholehearted support and cooperation in helping us maintain a safe, respectful, and nurturing learning environment for all students.

–Principal
