CLEANLINESS DAY AND FRUIT SALAD DAY

Bharatiya Vidya Bhavan's S. Ramakrishnan Memorial Public School, Akamala, observed Cleanliness Day and Fruit Salad Day on 28th September 2026 as part of its initiatives to promote cleanliness, environmental awareness, healthy habits, and social responsibility among students.

The Cleanliness Drive was conducted from 1:00 p.m. to 2:35 p.m. after the lunch break. Students of Classes I to V cleaned their respective classrooms and floors under the guidance of their Class Teachers. Students of Classes VI to XII were divided into groups and assigned different areas of the school campus, including classrooms, laboratories, the library, play areas, staff room, courtyard, tiled areas, auditorium front area, school gate, and other common spaces. The students participated enthusiastically, while teachers supervised and guided them throughout the activity. The drive helped students understand that maintaining cleanliness is a collective responsibility and encouraged teamwork, discipline, and respect for the dignity of labour.

Following the cleanliness drive, Fruit Salad Day was conducted from 2:35 p.m. to 3:05 p.m. A team of teachers prepared and hygienically distributed fresh fruit salad among the students. Teachers and Co-Class Teachers also joined the preparation team after completing their responsibilities during the cleanliness drive. The activity created awareness about the nutritional value of fruits and the importance of including fresh and healthy food in our daily diet.

The programme aimed to develop responsibility, cooperation, teamwork, discipline, environmental awareness, healthy eating habits, and social responsibility among students. It also helped develop 21st-century skills such as collaboration, communication, leadership, and problem-solving.

The Cleanliness Day and Fruit Salad Day were conducted successfully with the enthusiastic participation of students and teachers. The programme provided a meaningful experiential learning opportunity and reinforced the message that a clean environment and healthy lifestyle are essential for a happy and responsible community.

FRUITS SALAD DAY CELEBRATION

Balamandir organized a Fruit Salad Day activity on 28th September 2026 as part of Swachhata Hi Seva and the cleanliness drive. The activity aimed to create awareness among children about the importance of including fruits in their daily diet.

Teachers explained the health benefits of fruits and showed the children different varieties of fresh fruits. The tiny tots learned about the taste, smell, colour, and texture of each fruit. They also understood the importance of washing fruits before eating or cooking them.

Fresh fruits such as apples, bananas, grapes, oranges, and pomegranates were cut and mixed to prepare a healthy and tasty fruit salad. The children enthusiastically participated in the activity and learned that fresh fruits are a healthier choice than junk food.

THE LITTLE ANT A LESSON IN PERSEVERANCE

Chaithanya M.

Today, I would like to share something about a little ant. Have you ever noticed an ant? It is a very small creature, but it can teach us a big lesson. You may often see an ant carrying something bigger or heavier than itself. Sometimes, it may fall or face an obstacle on its way. But it does not give up easily. It keeps trying, finds a way, and continues its journey.

Similarly, as students, you may sometimes face difficulties in your studies. You may feel that a subject is difficult or that you are not good at something. But remember, difficulties are a part of learning. Success does not always come from being the smartest or the strongest. It comes from being consistent, determined, and hardworking.

So, let us learn from the little ant. Never be afraid of challenges. If you face a difficulty, keep trying. If you make a mistake, learn from it and move forward.

THE ROLE OF A TEACHER IN A CHILD'S HOLISTIC DEVELOPMENT

Teacher is not only someone who teaches lessons from books. A teacher helps children grow into confident, kind, responsible, and independent individuals.

Every child is unique, with different talents, interests, and learning abilities. As teachers, our responsibility is to understand these differences, encourage every child, and create a safe and happy learning environment.

We teach not only subjects but also important values such as kindness, respect, honesty, cooperation, and responsibility. Our words and actions can inspire children and shape their future.

Let us always remember that every child has the potential to shine. Our role is to guide them, support them, and help them discover their strengths.

RESPECT AMONG FELLOW BEINGS

Binitha P G I would like to share a few thoughts on respect among fellow beings. Let me begin with an incident. A young boy was walking with his grandfather to his construction site. As they passed, the grandfather greeted a worker with a warm smile and a respectful "Good morning." The worker smiled back happily. The boy asked, "Grandfather, why do you greet everyone with so much respect?" The grandfather replied, "Because every person deserves respect, not because of who they are, but because of what we are."

From his grandfather, he learned that respect is not reserved for certain people it is something we should show to everyone.

Respect is one of the most important values that helps us build strong relationships and a peaceful society. It means listening when others speak, being polite, appreciating different opinions, and treating everyone with kindness and dignity.

In school, respect can be shown in many simple ways greeting teachers, helping classmates, using kind words, and valuing the efforts of every person, including the supporting staff who work hard to keep our school clean and safe. These small actions reflect our character.

Respect also means understanding that every individual has feelings, struggles, and dreams. When we respect others, we create an atmosphere of trust, friendship, and cooperation.

The great leader, Mahatma Gandhi, once said, "The true measure of any society can be found in how it treats its most vulnerable members." Respect is the foundation of such a society.

Let us remember that respect costs nothing, but its value is priceless. A kind word, a listening ear, or a simple gesture of courtesy can brighten someone's day and make our world a better place.

Let us make respect a habit, kindness our language, and compassion our strength

मेहनती किसान

एक किसान अपने खेत में बहुत मेहनत करता था। वह रोज़ समय पर खेत में पानी देता और पौधों की देखभाल करता था। कुछ महीनों के बाद खेत में अच्छी फसल हुई। किसान बहुत खुश हुआ और उसने अपने परिवार के साथ खुशी मनाई। उसी तरह एक छात्र मेहनत से पढ़ता है तो वह परीक्षा में अच्छे अंक लाता है।

महान लेखक प्रेमचंद जी ने कहा था।

"परीश्रम ही जीवन है, आलस्य मृत्यु है।" हमें रोज़ पढ़ना चाहिए, अपना काम खुद करना चाहिए। जो मेहनत करता है। वही आगे बढ़ता है। बिना मेहनत के जीवन कुछ नहीं मिलता।

सीख: मेहनत करने से सफलता मिलती है।

Topic :സൗഹൃദം

സൗഹൃദം എന്നത് സന്തോഷങ്ങളിലും വിഷമങ്ങളിലും ഒരുപോലെ കൂടെ നിൽക്കുന്നതാണ്. ഒരു സുഹൃത്തിന്റെ വിജയം മറ്റൊരു സുഹൃത്തിന്റെ സന്തോഷമാകുമ്പോഴാണ് യഥാർത്ഥ സൗഹൃദം മനോഹരമാകുന്നത്.

മറ്റൊരാളുടെ വളർച്ചയെയും കഴിവുകളെയും അസൂയയോടെ കാണാതെ പ്രോത്സാഹിപ്പിക്കാനും പിന്തുണയ്ക്കാനും കഴിയണം.

ഓരോരുത്തരിലും വ്യത്യസ്തമായ കഴിവുകളുണ്ട്. ആ കഴിവുകൾ തിരിച്ചറിഞ്ഞ് ആത്മവിശ്വാസത്തോടെ മുന്നോട്ട് പോകാൻ പരസ്പരം പ്രചോദനം നൽകുന്നതായിരിക്കണം സൗഹൃദം. വിജയം സൗഹൃദങ്ങളെ അകറ്റാനുള്ള കാരണമല്ല; മറിച്ച് ഒരുമിച്ച് സന്തോഷിക്കാനുള്ള അവസരമാണ്.

യഥാർത്ഥ സൗഹൃദം എന്നത് മത്സരമല്ല, പരസ്പരം ഉയർത്തിപ്പിടിക്കലാണ്.
